JOURNAL ENTRY **First Night on the Road** *June 17, 2026 · Dolanaar, Teldrassil*

Slept under the roots of a great tree tonight. The forest never truly sleeps — something small was always rustling in the dark, and the great owls called to each other across the canopy. I am one night into this journey, and already the walls of home feel very far away.

ACHIEVEMENT **Exploring Teldrassil** *June 22, 2026 · Teldrassil*

Discovered every corner of Teldrassil.

ZONE DISCOVERED **Darkshore** *June 25, 2026 · Darkshore*

The trees here lean away from the sea, as if remembering an old storm. The coast is long, grey and full of echoes.

DEATH **Slain by a Moonstalker** *June 25, 2026 · Darkshore*

Aelirien was slain by Moonstalker Matriarch in Darkshore.

> PERSONAL NOTE
> *Знаете что? Рыси здесь совершенно не дружелюбны.*

JOURNAL ENTRY ★ FAVORITE

Первое море

June 28, 2026 · Rut'theran Village

Сегодня я впервые увидел море. Оно огромно и равнодушно, и от этого — прекрасно. Волны били в чёрные камни у пристани, чайки кричали так, будто спорили о чём-то важном, а я просто стоял и слушал. Кажется, я понял, почему моряки никогда не говорят «море устало».

CHAPTER IV

September 2026

JOURNAL ENTRY

Autumn in Duskwood

September 19, 2026 · Darkshire, Duskwood

The innkeeper in Darkshire swears the ravens count travelers. Tonight the forest dripped with fog and every grave looked freshly dug. I drank warm cider by the fire and let the storm pass over. Some nights the bravest thing is simply to stay indoors and write.

JOURNAL ENTRY

On Turning the Last Page

October 21, 2026 · Darnassus

I write this on the last page of this journal. There will be other journals, other wars, other seas — but there is only one first journey, and it ends here, in the quiet of an autumn evening, with ink on my fingers and the whole map finally filled in.

The journey continues...
